RAKESH KU. PARIDA

About Me

I am a **front-end** developer with a passion for creating beautiful and user-friendly websites. I have a **strong understanding** of front-end development and am also familiar with **backend technologies** like **Node.js**, **Express Js**, and **MongoDB**. Additionally, I have expertise in **JWT authentication** and building **REST APIs** with real-time database integration using **MongoDB Atlas**. I am experienced in deploying **MERN stack** applications on platforms such as **Vercel**, **Render**, and **Netlify**.

I am excited to put my skills to use in a professional setting. I am a **quick learner** and a **team player**, and I am confident that I can be a valuable asset to your team.

📍 Sum square, Bhubaneswar,Odisha

Education

Bachelor of Technology

Nalanda Institute of Technology, Bhubaneswar - Computer Science
Secured - 7.1 cgpa

Diploma

Government Polytechnic, Bhubaneswar - Information Technology
Secured - 69%

10th

Lingaraj HighSchool, Dangarpada, Khordha,Odisha.
Secured - 61%

Skills

- HTML, Css, TailwindCss, JavaScript
- React Js
- Redux Toolkit
- Node Js, Express Js
- MongoDB
- Git
- Core Java
- Postman

Projects

MERN STACK BLOG APP

I have created a multi-page MERN Stack blog website, using React and Tailwind for the frontend, and Node.js, Express, and MongoDB for the backend.

PERSONAL REACT PORTFOLIO

My personal portfolio is a showcase of my skills and accomplishments as a web developer. It was built using React, a powerful JavaScript library for building user interfaces, to create an interactive and visually appealing web presence.

MERN STACK CRUD OPERATION

This project is built using MongoDB, Express, React, and Node.js, with MongoDB Atlas serving as the cloud-based database for performing Create, Read, Update, and Delete (CRUD) operations

WEATHER APP USING REACT

I have developed a React-based weather app that provides real-time information, including current wind speed, atmospheric pressure, humidity, dynamic weather icons, sea level, visibility, city name, and temperature.
